## President's Letter-Bill Schreck

**WOW**, is the only way to express my observation of the improvement projects completed by a great team of members – **27 members** to be exact! That's what happens at the Anchor on Saturday, July 7<sup>th</sup> under the direction of Mike Broglin. The crew installed a major "electrical system" (that's what I'll call it – since I don't speak "electricese") which will serve all of our major club functions for many years. **A special THANK YOU to all of you members who made this project a huge success – especially the skilled "pros" in several occupational fields.**

Speaking of major club functions; our two biggest ones are at our doorstep. The **Spooner Tournament is this week – Friday, Saturday & Sunday - July 13, 14 & 15.** AND, the **Anchor Chicken Fry** is only three weeks later on – **Saturday, August 4<sup>th</sup>.** Proceeds from these two events go towards paying several major expenses to the club – which allows you and me to pay minimal annual membership dues. Therefore, the membership has mandated that every member shall work, at least, a four-hour shift, approved by the project chair. One shift per member will not guarantee the success of these activities; but, the dedicated involvement of many – will; which group are YOU? Work hours to prepare, run and clean-up the event all count. Please volunteer your services to John Finnell and Ken Teubner, Spooner Chairs and/or Joe Teer, Jr., Chicken Fry Chair. Please make sure your hours are verified by the chairs or make your check out to Anchor Boat Club for \$100 – that would be your assessment in lieu of work hours.

The success of the Chicken Fry depends on many things – one of which is the prior sale of Chicken Dinners and 50/50 Tickets. Each member is asked to pick up, at least, 30 – 50/50 and 6 Dinner tickets ASAP at the club. Your efforts to sell those tickets will greatly impact the success of the Chicken Fry. Sale of those tickets can greatly affect the attendance on the 4<sup>th</sup>!

In a number of instances, we have found it very difficult to contact members for various reasons due to a lack of personal information. If you paid your dues without filling out a personal information sheet – OR for whatever reason just have not done so in the last year – please stop by the club

and fill one out. Vice President Bill Suiter, Jr. will be happy to assist you.

It has come to our attention that the **RULE – REQUIRING THE PUCHASE OF ALL BEVERAGE FROM THE CLUB** for use on, by, through, over, under, etc. Anchor grounds – **IS NOT BEING FOLLOWED BY SOME MEMBERS!** In “club ease” – that means beverages being used on the dock, from the dock, in the camp grounds, in the parking lot or wherever. Why should you purchase beverages at the club – other than because of that “---“ rule: (1) Money made from their sale is a primary source of funds to run OUR club. (2) The purchase of beverages; plus, availability of ice and the very convenience is pretty close to the cost of any other vendor. (3) You can tell your friends that there are basically two things necessary to enjoy a boat outing – GAS and BEVERAGE! Since the requirement of the club is that all beverages must be purchased from the club – and, that you as a member can purchase them at a better price – perhaps your friends could provide the other necessity! **and, (4) If members are found to not be in compliance with this “\_\_\_” rule, they will be written up for “conduct unbecoming a member!** And, therefore, face the consequences of the Board of Governors! I truly understand the problems in dealing with friends and relatives over this issue – they are pretty much just trying to be nice guests (been there, done that) – but, I have difficulty understanding member not wanting to support THEIR club! Nuff said – please be a part of the solution.

I got more stuff – but, I’m probably outta time - for both YOU and ME!

Members,

Due to the fast approaching major club fundraisers, this newsletter is a bit more brief than the norm. Remember that all members must get four work hours at either the Spooner or Chicken Fry. The Spooner begins with setup on Thursday, July 18th, and the Chicken Fry is August 3rd-4th. Contact chairmans John Finnell or Ken Teubner for the Spooner, and Joe Teer Jr. for the Chicken Fry. The more help we get, the more successful the event. Come on out, get some hours, and have a great time!

Also, I will be sending out a personal information sheet in the September newsletter. Please print it out, and mail it to me. My contact info will be on the sheet. I need to update the information I have for birthdays and anniversaries. I apologize for any errors or omissions that there may be.
