President's Letter-Mike Heesler

Well, another chicken fry has come and gone and as we have so many times in the past we had another tremendous success.

With threats all week of 40-60% chances of rain all weekend the weather cooperated and we had a huge turnout due to a lot of factors. The food was awesome, we had 2 great bands playing, good weather and cold beverages and certainly the most important was the hard work and dedication of our members to make ours the best summer event on the lake.

That being said we wouldn't have been able to have such a huge success if it weren't for the hard work and tireless effort of our chairman Joe Teer Jr. Joe starts his preparation for the chicken fry well in advance of the event and works countless hours to make sure every little detail is carried out. You did a great job as always Joe and we look forward to your continued leadership in this important event. (Please!!!!)

The membership voted at the August meeting to buy a new 8 burner propane grill to be used at events for the club. This grill will allow us to do cooking at all our major events as well as food services put on by members for 70-30 drawings and any other events members may choose. This grill is not for use by the membership for their individual cooking though.

When I was a little boy I remember my mother telling me that the older I get the faster time will pass by. She was right as this summer has flown by but we still have a couple of good months for boating and outdoor activities.

President's Letter Cont.

Volleyball and Bocce ball will be starting up again and both will bring lots of people to our club and we look forward to both those events.

Our next big fundraiser will be the barbecue cook off and I understand we have a huge list of people wanting to cook. This was a large event for us last year so please sign up to work this event and make it another success.

At last month's meeting Tim Strutz made a motion to secure bids for a rubber coated sidewalk for a certain person who may need it.

After checking with a few contractors and seeing the enormous cost I have been told that the person in question has decided to drink in moderation so we have cancelled the RFP Tim. Thanks for your thought Tim.

Membership Committee - Mike Cobey

Since the last newsletter, we have had 2 of our major events. Both events were a success. Thanks to all the club members who worked the Spooner and Chicken Fry. We had a very good showing for both events. Remember, we have one more event left this year. The Rib, Chicken -N- Bloody Mary Throw Down will be October 19th, so feel free to sign up to work this fun event.

Regarding membership, we had 2 members taken off probation, Brett Tackett and Robert Patsche. Both have put in a lot of time at the club during their probationary period. They are perfect examples of what we look for in an Anchor Boat Club member. Congratulations Brett and Robert!!!

Remember, in order to become an active member you need to be a member in good standing for 6 months, and need to have actively worked hours at the club.

The last topic I want to cover is the Fish Fries. There have been several members that have expressed an interest in bringing back the Fish Fries in 2014. Devin and Aaron Phillips have agreed to help spearhead the project. They have asked if they can get some guidance, input or help from past Fish Fry crew members. Please contact Devin or Aaron if you are interested in helping them.
