President's Letter - Bill Schreck

The Annual Anchor Membership Appreciation Party on September 30 was the "outstanding" – THANK YOU Chairman Ross. The beverages were cold and FREE; the food was delicious and plentiful; and the band was excellent with dancing by the fleet-a-foot and Bill – However, the attendance was disappointing! Not that we in attendance didn't enjoy it to the max; but, would have enjoyed the fellowship of the rest of the membership.

You do not however, want to miss the next major Club event – THE 1ST ANNUAL **RIB-CHICKEN-N-BLOODY MARY THROW DOWN** on **Saturday, October 20**. Bloody Marys @ 9:00 AM, BBQ Chicken @ noon and BBQ Ribs @ 5:00! DJ music – all day – PLUS, a real live band – Big Daddy Jasper, starting at 5:00. And, a day-long sand volleyball tournament will be held for your participation and/or enjoyment. **What is not to love bout a day like that!**

The only thing that could possibly keep this event from becoming a major success story and moneymaker for Anchor is **YOU!** We desperately need your help and involvement to make this event a huge success. So – sign-up, show-up and bring your friends to what proves to become one of Anchor's finer events!

Speaking of sand volleyball – S. J., Darrell, Tim and their awesome Team just wrapped up the 1st Anchor Volleyball Season with an outstanding tournament. The Team conducted summer and fall leagues involving 6-8 volleyball teams with ending tournaments for each. The participation was very good, the enthusiasm was great, the fellowship was excellent AND the income generated for the Club was OUTSTANDING! The organization rivals that of our fine softball program which is the very best of the Lake League. For those of you that have not gotten involved with either our softball or volleyball leagues; sorry – you're missing some great entertainment and fun times! Better put it on your schedule for next year.

We've been invaded! The Elk's club has moved heavy equipment onto Anchor property across from the front boat docks basically decimating the top property of trees, shrubs and grass. The natural habitat has served as a buffer between the clubs for many

years. They have been confronted by Anchor, as well as, CWLP – but, the damage has already been done. Not only has the natural habitat been destroyed, but several erosion problems to our cove may have been created. When confronted – their only excuse was that they wanted a better view of the lake and the habitat was an “eyesore”! We are looking into a response to this action and are asking for members who have special talents in property survey, legal counsel, environmental issues, etc. to assist in formulating our response. Please volunteer if you are willing and able to help in this very serious matter. Thank you.

Happy trails and “maybe” boat’n y’all!

Event News

The Rib, Chicken, and Bloody Mary Throw Down was a huge success. The event was well attended throughout the day, and the entertainment was great. For those members that came, thanks for your support. For those that missed, you really missed out. This will hopefully be an annual event that you don’t want to miss in years to come. Cheers to Rich Marsaglia and Norm Reeves for their diligent efforts in making this a great event in its’ inaugural year, and the participants who really know their way around a smoker. Here’s to many years to come. Next month I will post the results for each category.

I need to add in the new/probationary members for clean up. I will have the December letter out a bit earlier to give everyone plenty of time to prepare. This is three to four hours, one day per year. There is plenty of advance notice, and while none of us like to clean up, please just take the time.

Remember to mark your name as present when you work and date your work hours card. Failure to do so will result in a \$40.00 fee to be paid to those that work, and an additional 10 work hours will be added to your card. Please arrive at 9:00 a.m., or contact the other members for a mutually agreeable, earlier time. If you are unable to make your scheduled clean-up, you are responsible for finding a replacement.
