Membership Chair's Report

Hello Members...

It's safe to say that COVID-19 had really put a damper on many of our summer plans...from vacations, socializing on the lake, music & food events, and much more.

That being said, I would like to emphasize that the Anchor Boat Club Officers and Chairs are keeping the safety of our members and the general public at heart. As you know, we recently had to cancel of Anchor's long-held events...the Chicken Fry. In an effort to comply with recent city rules changes, it was decided to forego the event this year to avoid managing potentially a large crowd as well as putting the memberships and guests at risk. Thanks you to all who signed up to work the Chicken Fry. We are hoping next year will be different and have an opportunity

to put together one of the best events on the Lake. In the meantime, we are asking the club members to continue to provide continued support for the club in the days and months to come. There is still a lot of daily and weekly maintenance that is always on-going. We still need your help!

Also with the changes in city rules, I would like to emphasize that **every member must wear a face mask at all times** and must have be seated at the bar or table unless they are going to the restroom or leaving. If a person leaves their table to go visit another table, go to the bar, or use the bathroom, they must wear a face covering.
