Membership Chair's Report

Hello Members...

Hoping everyone is doing well this 2021 Winter season.

We want to thank everyone who has helped support the Anchor Boat Club during this pandemic. We are happy to say the club

is doing well but looking forward to the good things yet-to-come. At this time, we are looking at organizing some future events at the club (including booking some bands to play this summer). For more information, please stay tuned! In the meantime, feel free to come out and enjoy some sports on the TVs!

We have several new members who have joined the Anchor Club recently. Welcome aboard!!! Members, if you happen to meet one of our new members, please introduce yourself!

I would like to mention that this year's Fish Fries have been cancelled due to COVID restrictions. While we would love continue this annual event

during Lent, we do understand the Anchor Boat Club has a responsibility to look out for the health & safety of its members, their guests, and the general public.
