

Anchor Boat Club Cardboard Regatta 2024

Rules & Event Guidelines/ Competitor Rules:

Pre-Built Race

HAVING FUN IS MANDATORY!

Crew costumes are highly encouraged. Please keep in mind this is a family event and remember there are little ones around.

1. **Safety** – The safety of the participants, spectators, staff, and competitors is the number one priority and should be treated as such for all races. It is mandatory for all competitors wear a USCG approved PFD while racing or in the water.

2. **Boat Design** –
 - a. Boats must be made **PRIOR TO THE RACE**.

 - b. The boat's hull must be made **ONLY** of corrugated cardboard and sealed with duct tape, packing tape, glue, paper tape, and/or latex paint. **NO** reinforced cardboard tubes and no wax-sealed cardboard, only broken-down cardboard boxes. No oil-based products or paint. No Flex-Seal products.

 - c. If any illegal items used in construction are discovered during the pre- or post- race inspection, the boat will be disqualified.

 - d. Boats must be completely enclosed or permit the crew to remain fully on top of the vessel. This means you cannot build a “surfboard” and hang over the edges.

e. The boat's passenger area must not be enclosed above the occupant's shoulders so as to interfere with escape should the vessel begin to sink.

f. Boat design is left to the builders. Let your imagination take over; make your boat look like a race car, flying saucer, dragon, etc. as long as the decoration does not aid in the floatation.

g. Competitors must be seated (sitting, kneeling, cross-legged, etc.) and in the boat while paddling once a race has started until crossing over the finish line.

h. Pre-Race Safety Meeting – All competitors must attend the pre-race competitor meeting held day-of the event.

i. All competitors will supply their own paddles and certified life jackets.

3. **Conduct** - It is the competitor's responsibility to act in a sportsman like fashion, avoid collisions at all times and obey the rules and safety guidelines. Overly aggressive contact and/or un-sportsmen like conduct will not be tolerated and will result in disqualification as the sole discretion of event organizers. Examples include but are not limited to:
